

Let's practise

- 1 The bar graph below shows the amount of money saved by 15 children in a month.

Match the following:

Mode

RM4

Maximum value

RM3

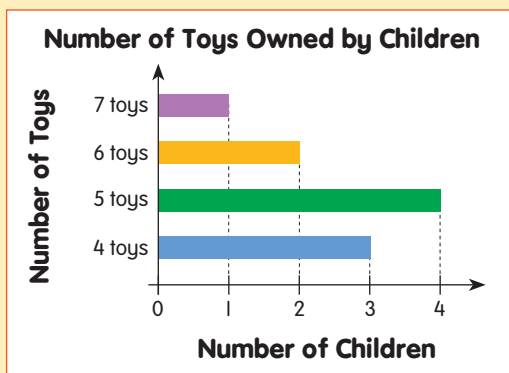

Minimum value

RM5

Range

RM7

- 2 The bar graph below shows the number of toys owned by 10 children. Answer the following questions.

- How many children have 6 toys?
- What is the most common number of toys owned by the children?
- What is the difference between the highest and the lowest number of toys owned by the children?
